* Standard Colours/Patterns for 10 mm compact grade laminate

Door type 34

High Pressure Laminate and ABS Plastic Edge.
The ABS edge follow the laminate Birch, Oak and Beech.
Other laminate colours/patterns have a grey ABS edge.

NOTE! This colour chart has been printed with inks from the CMYK scale, which is used for printing on paper in the printing trade. For this reason, a discrepancy may occur between this colour chart and the real colours. The NCS and RAL references refer to the closest visual match to the colour samples in the NCS and RAL colour chart samples.
